

TECHNICAL SHEET

SPFA – Finixa foam backing abrasive on a roll

Description

- Sanding paper on roll with foam backing.
- Packed in a handy dispenser box. This way the sanding paper is protected from dust and other pollution.
- The sanding paper is perforated. Therefore each single sheet can easily be torn off.
- At the back the paper has a comfortable mousse: thanks to this mousse the pressure during manual sanding is spread equally.
- Easily adjusts to round, concave or convex shapes.
- Prevents sanding at the edges.
- The foam backing can be used to easily free the sanded surface from sanding dust.

Suitability

- Automotive Refinishing
- paint & decoration
- wood processing
- Marine industry

Technical specifications
